FRONT VIEW

Stainless Steel Construction

Large discharge for material dispensing

Removable blade for easy clean out

Equipped with timer which can be set between 0-30 Minutes

Vertical Batch Mixer

Suitable Application :

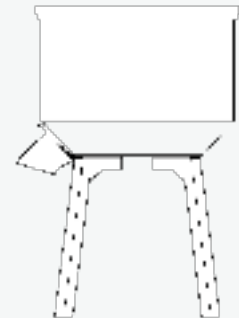

- Suction Box
- Heating Element
- Auto Loading

Vertical Structure with castor wheel for high compatibility

Geared motor ensure low noise & High Torque

Short mixing period with low energy consumption and high productivity

SIDE VIEW

VERTICAL BATCH MIXER

📍 Plot No.30 Sr No.662,663,664,
Surbhi Industrial Zone, Nr.Goldvitta Besan,
Village –Ravki, Rajkot-360004(Gujarat)

Vertical Batch Mixer Machine

Easy to mix big batch

Slow speed mixing ensures least powder generation

Easy loading bottom basket

Large material discharge

Stainless steel construction for long life & rust free operation

Equipped with inbuilt timer

Short mixing period

Front openable door for easy cleanout

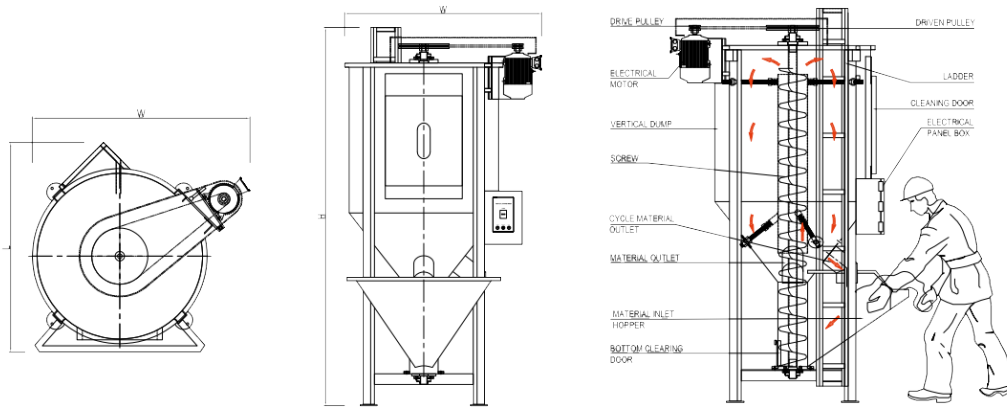

Equipped with motor overload protection

All material contact point are non-ferrous

Compatible with hopper loader & conveyor
